Note

1. The APR is calculated when the loan amount is NT\$300,000 and the loan period is 5 years. The APR does not equal to interest rate and is calculated on the basis of 16 Jun 2025.
2. The interest rate is calculated on the basis of ARMs, which refer to mortgages which are priced by adding a markup to benchmark interest rate (such as the average interest rate on time savings deposits offered by major banks). ARMs are revealed in each branch and on the website.
3. The APR is calculated according to the method set out in the relevant guidelines referred to the Authority. HSBC's decision in all matters relating to the Personal Loan shall be at our absolute discretion and shall be final and binding on you. The precise APR binding on each customer shall be based on respective product and credit risk conditions.
4. HSBC reserves the right to approve or reject the application, and has the final decision on the loan amount, tenor, interest rate, application fee, and the eligible criteria. In the event of any inconsistency between these Terms and Conditions and the Personal Loan Terms and Conditions in the application form, the application form shall prevail.
5. HSBC reserves the rights to amend, change, and cancel Personal Loan program at any time with appropriate notice.

Cash Card

Date: 1 Sep 2015

Description on Fees	Rate Standard (Unit: NT\$)
Revolving Credit Interest	The revolving interest rate is divided into 6 grades from 5.59%~15%, which is determined by the financial statement of cardholder, and varies from different credit risks, plus the costs of bank. The rate will be examined monthly.
Default Penalties	In the event that cardholder fails to make the required payment of 2% of unpaid outstanding balance, interests and fees by the payment due date, a default penalty of NT\$200 should be charged.
Handling Fee for Loss and Re-issuance of Card	Where the card is lost, a handling fee of NT\$100 should be charged for each new card issued.
