Important Notice

This Information Memorandum replaces in its entirety the Information Memorandum dated 8 April 2014.

Introduction

This Information Memorandum relates to a debt issuance programme (“**Programme**”) established by Emirates NBD Bank PJSC (“**Issuer**”) under which medium term notes (“**Notes**”) may be issued up to a maximum amount of A\$4,000,000,000 (as that amount may be increased from time to time).

The Issuer is neither a bank nor an authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia (“Banking Act”) and nor is it supervised by the Australian Prudential Regulation Authority. The Notes are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia.

The depositor protection provisions of Division 2 of Part II of the Banking Act do not apply to the Issuer. No Notes shall be “protected accounts” or “deposit liabilities” within the meaning of the Banking Act and an investment in Notes will not be covered by the depositor protection provisions in section 13A of the Banking Act and will not be covered by the Australian Government’s banking deposit guarantee (also commonly referred to as the Financial Claims Scheme).

Notes that are offered for issue or sale or transferred in, or into, Australia are offered only in circumstances that would not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia and issued and transferred in compliance with the terms of the exemption from compliance with section 66 of the Banking Act that is available to the Issuer. Such Notes are issued or transferred in, or into, Australia in parcels of not less than A\$500,000 in aggregate principal amount.

Terms used in this Information Memorandum but not otherwise defined have the meaning given to them in the Conditions (as defined below).

Issuer’s responsibility

This Information Memorandum has been prepared by and issued with the authority of the Issuer. The Issuer accepts responsibility for the information contained in this Information Memorandum other than information provided by the Arrangers, the Dealers and the Agents (each as defined in the section entitled “Summary of the Programme” below) in relation to their respective descriptions in the sections entitled “Summary of the Programme” and “Directory” below.

Place of issuance

Subject to applicable laws and directives, the Issuer may issue Notes under the Programme in any country including Australia and countries in Europe and Asia but not in the United States of America.

The Notes have not been, and will not be, registered under the United States Securities Act 1933 (as amended) (“**Securities Act**”) and, accordingly, the Notes may not be offered, sold, delivered or transferred, at any time, within the United States of America or to, or for the account or benefit of, U.S. persons, except in a transaction exempt from the registration requirements of the Securities Act.

Terms and conditions of issue

Notes will be issued in one or more series (each a “**Series**”). Each Series may comprise one or more tranches (each a “**Tranche**”) having one or more issue dates and on terms and conditions that are otherwise identical (other than, to the extent relevant, in respect of the issue price, the amount and date of the first payment of interest).

Each issue of Notes will be made pursuant to such documentation as the Issuer may determine. A pricing supplement and/or another supplement to this Information Memorandum (each a "**Pricing Supplement**") will be issued for each Tranche or Series of Notes. A Pricing Supplement will contain details of the initial aggregate principal amount, issue price, issue date, maturity date, details of interest (if any) payable together with any other terms and conditions not set out in this Information Memorandum that may be applicable to that Tranche or Series of Notes. The terms and conditions ("**Conditions**") applicable to the Notes are set out in the section entitled "Conditions of the Notes" included in this Information Memorandum and may be supplemented, amended, modified or replaced by the Pricing Supplement applicable to those Notes.

A Pricing Supplement or a supplement to this Information Memorandum may also supplement, amend, modify or replace any statement or information set out in a Pricing Supplement or incorporated by reference in this Information Memorandum or a supplement to this Information Memorandum.

The Issuer may also publish a supplement to this Information Memorandum (or additional information memoranda) which describes the issue of debt instruments (or particular classes of debt instruments) not otherwise described in this Information Memorandum. Potential investors in other debt instruments which may be issued by the Issuer under the Programme should refer to any disclosure document relevant to the issue of those debt instruments.

MiFID II Product Governance / Target Market

The Pricing Supplement in respect of any Notes may include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the Product Governance rules under EU Delegated Directive 2017/593 (the “**MiFID Product Governance Rules**”), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arrangers nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

provided in Condition 14.

Australian, Dubai and UAE taxation: An overview of the Australian, Dubai and UAE taxation treatment of payments of interest on the Notes and certain other matters is set out under the section entitled “Taxation” below. However, investors should obtain their own taxation advice regarding the taxation status of investing in Notes.

FATCA: Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (as amended, including any current or future United States Treasury regulations and other guidance issued and any agreements entered into thereunder) (“**FATCA**”) imposes a reporting regime and, potentially, a 30% withholding tax with respect to (i) certain payments from sources within the United States, (ii) “foreign passthru payments” made to certain non-U.S. financial institutions that do not comply with this reporting regime, and (iii) payments to certain investors that do not provide identification information with respect to interests issued by a participating non-U.S. financial institution. Whilst the Notes are in global or dematerialised form and held within the clearing systems, in all but the most remote circumstances, it is not expected that FATCA will affect the amount of any payment received by the clearing systems. However, FATCA may affect payments made to custodians or intermediaries in the subsequent payment chain leading to the ultimate investor if any such custodian or intermediary generally is unable to receive payments free of FATCA withholding. It also may affect payment to any ultimate investor that is a financial institution that is not entitled to receive payments free of withholding under FATCA, or an ultimate investor that fails to provide its broker (or other custodian or intermediary from which it receives payment) with any information, forms, other documentation or consents that may be necessary for the payments to be made free of FATCA withholding. Investors should choose the custodians or intermediaries with care (to ensure each is compliant with FATCA or other laws or agreements related to FATCA) and provide each custodian or intermediary with any information, forms, other documentation or consents that may be necessary for such custodian or intermediary to make a payment free of FATCA withholding. Prospective investors should refer to the section entitled “Taxation – Foreign Account Tax Compliance Act” below.

Tax File Numbers and Australian Business Numbers: If required to do so by applicable law, the Issuer will deduct amounts from payments of interest to be made under the Notes at the prescribed rate if an Australian resident investor has not supplied an appropriate Tax File Number (“**TFN**”) (or in certain circumstances, an ABN) or such exemption details as may be necessary to enable the payment to be made without deduction.

Selling restrictions: The offer, sale, transfer and delivery of Notes and the distribution of this Information Memorandum and other material in relation to the Notes are subject to such restrictions as may apply in any jurisdiction in which the Notes may be offered, sold or transferred in connection with the offering and sale of a particular Tranche of Notes. In particular, restrictions on the offer or sale of the Notes in Australia, the United Kingdom, the United States of America, The Kingdom of Saudi Arabia, the UAE, Hong Kong, Japan, New Zealand and Singapore and a prohibition of sales to European Economic Area retail investors are set out in the section entitled “Selling Restrictions” below.

Industry Regulation and Supervision

Banks and other financial institutions in the UAE are subject to governmental supervision and regulatory oversight exercised by various regulatory bodies, including the Securities and Commodities Authority (“**SCA**”), the UAE Central Bank and the Dubai Financial Services Authority (“**DFSA**”) for companies established within the Dubai International Financial Centre (“**DIFC**”). The competent local authority in the Dubai, in which the institution is registered, is the Department of Economic Development.

The principal source of banking regulation in the UAE is the UAE Central Bank. The UAE Central Bank provides prudential supervision of each bank’s capital adequacy, liquidity and anti-money laundering controls and its general banking activities. Monitoring by the UAE Central Bank is undertaken by way of regular inspections of banks and their records and the requirement for regular submission of data including, but not limited to, deposited funds, loans and mortgage business, liquidity status and anti-money laundering measures. The Issuer submits monthly, quarterly and annual reports to the Banking Supervision and Examination Department of the UAE Central Bank. In addition, the Issuer’s Memorandum and Articles of Association and any amendments thereto, its audited financial statements, its distribution of dividends and certain other documents are all approved by the UAE Central Bank and the SCA.

The SCA is the predominant authority controlling the operation and governance of public joint stock companies generally, while the Department of Economic Development has a very wide jurisdiction in relation to issues such as the incorporation of companies and the regulation of internal and external trade.

The Issuer’s business units and subsidiaries are engaged in a wide range of banking and investment activities which also fall within the jurisdiction of a variety of other regulatory regimes located both within the UAE and abroad. In the UAE, the Emirates NBD Capital and Emirates NBD Asset Management is regulated by the DFSA. The Issuer’s activities conducted in countries other than the UAE fall under the jurisdiction of other regulators and include the following: the Capital Markets Authority and the Saudi Arabian Monetary Authority in the Kingdom of Saudi Arabia; the Monetary Authority of Singapore in Singapore; the Central Bank of Qatar and the Qatar Financial Centre Regulatory Authority in Qatar; the Reserve Bank of India in India; the China Banking Regulatory Commission in the PRC; the Jersey Financial Services Commission in Jersey; the Financial Conduct Authority in the United Kingdom; and the Egyptian Financial Supervisory Authority in Egypt.

The Issuer has an excellent track record in meeting applicable regulatory standards and neither the UAE Central Bank nor any other regulatory authority has raised any material breaches of applicable regulatory standards or imposed sanctions in respect of the Issuer.

The Issuer has systems and processes in place to ensure compliance with sanctions regulations prescribed by the regulators and to monitor transactions against applicable sanctions requirements. The Issuer uses automated systems to screen and monitor customers and transactions to help ensure compliance with key regulatory requirements.

1.7 Terms defined in Pricing Supplement

Terms which are defined in the Pricing Supplement as having a defined meaning have the same meaning when used in these Conditions but if the Pricing Supplement gives no meaning or specifies that the definition is "Not Applicable", then that definition is not applicable to the Notes.

2 Introduction

2.1 Programme

Notes are issued under a debt issuance Programme established by the Issuer.

2.2 Pricing Supplement

Notes are issued in Series. A Series may comprise one or more Tranches having one or more Issue Dates and on conditions otherwise identical (other than in respect of the first payment of interest). A Tranche is the subject of a Pricing Supplement which supplements, amends or replaces these Conditions. If there is any inconsistency between these Conditions and the Pricing Supplement, the Pricing Supplement prevails.

Copies of the Pricing Supplement are available for inspection or on request by a Holder or prospective Holder during normal business hours at the Specified Office of the Issuer or the Registrar.

2.3 Types of Notes

A Note is either:

- (a) a Fixed Rate Note;
- (b) a Floating Rate Note;
- (c) a Zero Coupon Note;
- (d) a Structured Note (being either an Index Linked Note or an Instalment Note); or
- (e) a Subordinated Note,

or a combination of the above (or any other type of debt obligation including a certificate of deposit), as specified in the relevant Pricing Supplement.

2.4 Denomination

Notes are issued in a single Denomination as specified in the Pricing Supplement.

2.5 Currency

Notes are denominated in the currency specified in the Pricing Supplement.

2.6 Clearing Systems

Notes may be held in a Clearing System, in which case the rights of a person holding an interest in the Notes lodged in the Clearing System are subject to the rules and regulations of the Clearing System. The Issuer is not responsible for anything the Clearing System does or omits to do or for any loss or damage arising out of any such action or omission.

2.7 Issue restrictions

Unless otherwise specified in the Pricing Supplement, Notes may only be offered (directly or indirectly) for issue, or applications invited for the issue of Notes, if:

- (a) where the offer or invitation is made, in or into Australia:
 - (i) the aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency, and in either case, disregarding moneys lent by the Issuer or its associates to the

subscriber) or the offer or invitation (including any resulting issue) does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;

- (ii) the Notes the subject of the offer or invitation, when issued, comply with Banking exemption No. 1 dated 21 March 2018 promulgated by the Australian Prudential Regulation Authority as if it applied to the Issuer *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offers and transfers of any parcels of Notes to be for a minimum principal amount of at least A\$500,000); and
 - (iii) the offer or invitation (including any resulting issue) does not constitute an offer to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
- (b) at all times, the offer or invitation (including any resulting issue) complies with all applicable laws, regulations and directives in the jurisdiction in which the offer, invitation or issue takes place.

3 Form

3.1 Constitution under Note Deed Poll

Notes are debt obligations of the Issuer constituted by, and owing under, the Note Deed Poll.

3.2 Form

Notes are issued in registered uncertificated form by entry in the Register.

3.3 No certificates

No certificates will be issued to Holders unless the Issuer determines that certificates should be available or are required by any applicable law or directive.

4 Status and ranking

4.1 Status

Notes (other than Subordinated Notes) constitute direct, unconditional, unsubordinated and (subject to Condition 5 (“Negative pledge”)) unsecured obligations of the Issuer.

4.2 Ranking

Notes (other than Subordinated Notes) rank equally among themselves and at least equally with all other unsubordinated and unsecured obligations of the Issuer, except for claims which are preferred solely by any bankruptcy, insolvency, liquidation or other similar laws of general application.

4.3 Subordination

Notes issued on a subordinated basis are subordinated to unsubordinated obligations of the Issuer as more fully specified in the applicable Pricing Supplement.

5 Negative pledge

This Condition 5 ("Negative pledge") does not apply to Subordinated Notes.

Save as may otherwise be permitted under these Conditions, so long as any of the Notes remains outstanding, the Issuer will ensure that no Indebtedness of the Issuer or any of its Relevant Subsidiaries will be subject to any Encumbrance, other than a Permitted Encumbrance, upon, or with respect to, any of the present or future business, undertaking, assets or revenues (including any uncalled capital) of the Issuer or any of its Relevant Subsidiaries unless the Issuer shall, in the case of the creation of the Encumbrance, before or at the same time and, in any other case, promptly, take any and all action necessary to ensure that:

- (a) all amounts payable by it under the Notes are secured by the Encumbrance equally and rateably with the Indebtedness; or
- (b) such other Encumbrance or other arrangement (whether or not it includes the giving of a Encumbrance) is provided as shall be approved by an Extraordinary Resolution of the Holders.

6 Title and transfer of Notes**6.1 Title**

Title to a Note passes when details of the transfer are entered in the Register.

6.2 Effect of entries in Register

Each entry in the Register in respect of a Note constitutes:

- (a) an unconditional and irrevocable undertaking by the Issuer to the Holder to pay principal and (if applicable) interest and any other amount in accordance with these Conditions; and
- (b) an entitlement to the other benefits given to Holders under these Conditions in respect of the relevant Note.

6.3 Register conclusive as to ownership

Entries in the Register in relation to a Note constitute conclusive evidence that the person so entered is the absolute owner of the Note subject to correction for fraud or proven error.

6.4 Non-recognition of interests

Except as required by law, the Issuer and the Registrar must treat the person whose name is entered in the Register as the holder of a Note as the absolute owner of that Note. This Condition applies whether or not a Note is overdue and despite any notice of ownership, trust or interest in the Note.

6.5 Joint holders

Where two or more persons are entered in the Register as the joint holders of a Note then they are taken to hold the Note as joint tenants with rights of survivorship, but the Registrar is not bound to register more than four persons as joint holders of a Note.

6.6 Transfers in whole

Notes may be transferred in whole but not in part.

6.7 Compliance with laws

Notes may only be transferred if:

- (a) in the case of Notes to be transferred in, or into, Australia, the offer or invitation giving rise to the transfer:
 - (i) is for an aggregate consideration payable to the Issuer by the relevant subscriber is at least A\$500,000 (or its equivalent in an alternative currency and, in either case, disregarding moneys lent by the Issuer or its associates to the subscriber) or the offer or invitation (including any resulting transfer) does not otherwise require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act;
 - (ii) does not constitute an offer or invitation to a “retail client” as defined for the purposes of section 761G of the Corporations Act; and
 - (iii) the transfer complies with Banking exemption No. 1 dated 21 March 2018 promulgated by the Australian Prudential Regulation Authority as if it applied to the Issuer *mutatis mutandis* (and which, as at the date of this Information Memorandum, requires all offers and transfers of any parcels of Notes to be for a minimum principal amount of at least A\$500,000); and
- (b) at all times, the offer or invitation giving rise to the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

6.8 Transfer procedures

- (a) Interests in Notes held in a Clearing System are transferable only in accordance with the rules and regulations of that Clearing System.
- (b) Application for the transfer of Notes not held in a Clearing System must be made by the lodgment of a transfer form with the Registrar at its Specified Office. Transfer forms must be in the form available from the Registrar (or such other person as may be specified in a Pricing Supplement), and:
 - (i) each transfer form must be:
 - (A) duly completed and stamped (if applicable);
 - (B) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly executed; and
 - (C) signed by, or on behalf of, both the transferor and the transferee.
 - (ii) transfers will be registered without charge provided all applicable Taxes have been paid.

6.9 Effect of transfer

Upon registration and entry of the transferee in the Register the transferor ceases to be entitled to future benefits under these Conditions in respect of the transferred Notes and the transferee becomes so entitled in accordance with Condition 6.2 (“Effect of entries in Register”).

6.10 CHES

Notes which are listed on the Australian Securities Exchange operated by ASX Limited (ABN 98 008 624 691) will not be transferred through, or registered on, the Clearing House

Electronic Subregister System operated by ASX Settlement Pty Limited (ABN 49 008 504 532) and are not “Approved Financial Products” (as defined for the purposes of that system).

6.11 Austraclear Services Limited as Registrar

If Austraclear Services Limited (ABN 28 003 284 419) is the Registrar and the Notes are lodged in the Austraclear System, despite any other provision of these Conditions, the Notes are not transferable on the Register, and the Issuer may not, and must procure that the Registrar does not, register any transfer of the Notes issued by it and no participant of the Austraclear System has the right to request any registration of any transfer of any such Notes except:

- (a) for any repurchase, redemption or cancellation (whether on or before the Maturity Date of the Notes) of such Notes, a transfer of the relevant Notes from Austraclear to the Issuer may be entered in the Register; and
- (b) if either:
 - (i) Austraclear notifies the Registrar that the person in whose Security Record (as defined in the Austraclear Regulations) the relevant Notes are recorded has stated that the person needs to be registered in the Register in relation to the relevant Notes in order to pursue any rights against the Issuer (or any other person liable on the relevant Notes) following an alleged default and that need appears to the Registrar (in its absolute discretion) to be reasonable; or
 - (ii) Austraclear exercises, or purports to exercise, any power it may have under the Austraclear Regulations, these Conditions or otherwise, to require the relevant Notes to be transferred on the Register to a participant of the Austraclear System, the relevant Notes may be transferred on the Register from Austraclear to that participant of the Austraclear System.
 - (iii) In any of the cases noted above, the relevant Notes will cease to be held in the Austraclear System.

6.12 Austraclear as Holder

If Austraclear is recorded in the Register as the Holder, each person in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded is taken to acknowledge in favour of the Issuer, the Registrar and Austraclear that:

- (a) the Registrar’s decision to act as the Registrar of that Note is not a recommendation or endorsement by the Registrar or Austraclear in relation to that Note, but only indicates that the Registrar considers that the holding of the Note is compatible with the performance by it of its obligations as Registrar under an Agency Agreement; and
- (b) the Holder does not rely on any fact, matter or circumstance contrary to paragraph (a).

6.13 Estates

A person becoming entitled to a Note as a consequence of the death or bankruptcy of a Holder or of a vesting order or a person administering the estate of a Holder may, upon producing such evidence as to that entitlement or status as the Registrar considers sufficient, transfer the Note or, if so entitled, become registered as the holder of the Note.

6.14 Unincorporated associations

A transfer of a Note to an unincorporated association is not permitted.

6.15 Transfer of unidentified Notes

If a Holder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the relevant Registrar may choose which Notes registered in the name of Holder have been transferred. However, the aggregate principal amounts of the Notes registered as transferred must equal the aggregate principal amount of the Notes expressed to be transferred in the transfer form.

7 Fixed Rate Notes

This Condition 7 applies to the Notes only if the Pricing Supplement states that it applies.

7.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate. Interest is payable in arrear on each Interest Payment Date.

7.2 Fixed Coupon Amount

Unless otherwise specified in the Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the preceding Interest Period is the Fixed Coupon Amount specified in the Pricing Supplement.

7.3 Calculation of interest payable

The amount of interest payable in respect of a Fixed Rate Note for any period for which a Fixed Coupon Amount is not specified in the Pricing Supplement is calculated by multiplying the Interest Rate for that period, the outstanding principal amount of the Fixed Rate Note and the applicable Day Count Fraction.

8 Floating Rate Notes

This Condition 8 applies to the Notes only if the Pricing Supplement states that it applies.

8.1 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the Specified Period in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

8.2 Interest Rate determination

The Interest Rate payable in respect of a Floating Rate Note must be determined by the Calculation Agent in accordance with these Conditions.

8.3 Fallback Interest Rate

Unless otherwise specified in the Pricing Supplement, if, in respect of an Interest Period, the Calculation Agent is unable to determine a rate in accordance with Condition 8.2 (“Interest Rate determination”), the Interest Rate for the Interest Period is the Interest Rate applicable to the Floating Rate Notes during the immediately preceding Interest Period.

8.4 ISDA Determination

If ISDA Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the ISDA Rate.

In this Condition:

- (a) **“ISDA Rate”** means for an Interest Period, a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction if the Calculation Agent for the Floating Rate Notes were acting as Calculation Agent for that Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:
 - (i) the Floating Rate Option, the Designated Maturity and the Reset Date are as specified in the Pricing Supplement; and
 - (ii) the Period End Dates are each Interest Payment Date, the Spread is the Margin and the Floating Rate Day Count Fraction is the Day Count Fraction; and
- (b) **“Swap Transaction”, “Floating Rate”, “Calculation Agent”** (except references to **“Calculation Agent for the Floating Rate Notes”**), **“Floating Rate Option”, “Designated Maturity”, “Reset Date”, “Period End Date”, “Spread”** and **“Floating Rate Day Count Fraction”** have the meanings given to those terms in the ISDA Definitions.

8.5 Screen Rate Determination

If Screen Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the Screen Rate.

In this Condition, **“Screen Rate”** means, for an Interest Period, the quotation offered for the Reference Rate appearing on the Relevant Screen Page at the Relevant Time on the Interest Determination Date. However:

- (a) if there is more than one offered quotation displayed on the Relevant Screen Page at the Relevant Time on the Interest Determination Date, the **“Screen Rate”** means the rate calculated by the Calculation Agent as the average of the offered quotations. If there are more than five offered quotations, the Calculation Agent must exclude the highest and lowest quotations (or in the case of equality, one of the highest and one of the lowest quotations) from its calculation;
- (b) if an offered quotation is not displayed by the Relevant Time on the Interest Determination Date or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, the **“Screen Rate”** means:
 - (i) the rate the Calculation Agent calculates as the average mean of the Reference Rates that each Reference Bank quoted to the leading banks in the Relevant Financial Centre specified in the Pricing Supplement at the Relevant Time on the Interest Determination Date; or

- (ii) where the Calculation Agent is unable to calculate a rate under paragraph (i) because it is unable to obtain at least two quotes, the rate the Calculation Agent calculates as the average of the rates (being the nearest equivalent to the Reference Rate) quoted by two or more banks chosen by the Calculation Agent in the Relevant Financial Centre at approximately the Relevant Time on the Interest Determination Date for a period equivalent to the Interest Period to leading banks carrying on business in the Relevant Financial Centre in good faith; or
- (c) if the Pricing Supplement specifies an alternative method for the determination of the Screen Rate Determination, then that alternative method applies.

8.6 BBSW Rate Determination

If BBSW Rate Determination is specified in the Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate applicable to the Floating Rate Notes for each Interest Period is the sum of the Margin and the BBSW Rate.

In this Condition, “**BBSW Rate**” means, for an Interest Period, the rate for prime bank eligible securities having a tenor closest to the Interest Period which is designated as the “AVG MID” on the Reuters Screen BBSW Page (or any designation which replaces that designation on that page, or any page that replaces that page) at approximately 10:30am (or such other time at which such rate customarily appears on that page) on the first day of that Interest Period (being the “**Publication Time**”). However, if such rate does not appear on the Reuters Screen BBSW Page (or any page that replaces that page) by 10:45am (or such other time at which such rate customarily appears on that page) on that day, or if it does appear but the Calculation Agent determines that there is an obvious error in that rate, “**BBSW Rate**” means the rate determined by the Calculation Agent having regard to comparable indices then available. The rate calculated or determined by the Calculation Agent will be expressed as a percentage rate per annum and will be rounded up, if necessary, to the next higher one thousandth of a percentage point (0.0001 per cent.).

8.7 Interpolation

If the Pricing Supplement states that “Linear Interpolation” applies to an Interest Period, the Interest Rate for that Interest Period is determined through the use of straight line interpolation by reference to two ISDA Rates, Screen Rates, BBSW Rates or other floating rates specified in the Pricing Supplement.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the Pricing Supplement).

9 Structured Notes

This Condition 9 applies to the Notes only if the Pricing Supplement states that it applies.

9.1 Interest on Structured Notes

Each interest bearing Structured Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date; or
- (b) if no Interest Payment Date is specified in the Pricing Supplement, on each date which falls the number of months or other period specified as the Specified Period in the Pricing Supplement after the preceding Interest Payment Date (or in the case of the first Interest Payment Date, after the Interest Commencement Date).

9.2 Interest Rate

The Interest Rate payable in respect of an interest bearing Structured Note must be determined in the manner specified in the Pricing Supplement.

10 General provisions applicable to interest

10.1 Maximum or Minimum Interest Rate

If the Pricing Supplement specifies a Maximum Interest Rate or Minimum Interest Rate for any Interest Period, the Interest Rate for the Interest Period must not be greater than the maximum, or be less than the minimum, so specified. The Minimum Interest Rate shall not be less than zero and if no Minimum Interest Rate is specified in the relevant Pricing Supplement, the Minimum Interest Rate shall be zero.

10.2 Calculation of Interest Rate and interest payable

- (a) The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each Floating Rate Note and interest bearing Structured Note, calculate the amount of interest payable for the Interest Period in respect of the outstanding principal amount of that Note.
- (b) Unless otherwise specified in the Pricing Supplement, the amount of interest payable is calculated by multiplying the product of the Interest Rate for the Interest Period and the outstanding principal amount of the Note by the applicable Day Count Fraction.
- (c) The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

10.3 Calculation of other amounts

If the Pricing Supplement specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the amount in the manner specified in the Pricing Supplement.

10.4 Notification of Interest Rate, interest payable and other items

The Calculation Agent must notify the Issuer, the Registrar, the Holders, each other Agent and any stock exchange or other relevant authority on which the Notes are listed, quoted and/or traded of:

- (a) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the Interest Payment Date; and
- (b) any amendment to any amount, item or date referred to in paragraph (a) arising from any extension or reduction in any Interest Period or calculation period.

The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination. However, it must give notice of each Interest Rate, the amount of interest payable and each Interest Payment Date by the fourth day of the Interest Period.

The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period or calculation period without prior notice but must notify the Issuer, the Registrar, the Holders, each other Agent and each stock exchange or other relevant authority on which the Notes are listed, quoted and/or traded after doing so.

10.5 Determination final

The determination by the Calculation Agent of all amounts, rates and dates falling to be determined by it under these Conditions is, in the absence of wilful default, bad faith or manifest or proven error, final and binding on the Issuer, the Registrar, each Holder and each other Agent.

10.6 Rounding

For the purposes of any calculations required under these Conditions (unless otherwise specified in these Conditions or in the Pricing Supplement):

- (a) all percentages resulting from the calculations must be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.);
- (b) all figures resulting from the calculations must be rounded to five decimal places (with halves being rounded up); and
- (c) all amounts that are due and payable must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars, one cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency.

11 Redemption

11.1 Scheduled redemption

Each Note is redeemable by the Issuer on the Maturity Date at its Redemption Amount unless:

- (a) the Note has been previously redeemed;
- (b) the Note has been purchased and cancelled; or
- (c) the Pricing Supplement states that the Note has no fixed Maturity Date.

11.2 Partly paid Notes

Each Partly Paid Note is redeemable on the Maturity Date in accordance with these Conditions and the Pricing Supplement.

11.3 Instalment Notes

Each Instalment Note is partially redeemable in the Instalment Amounts and on the Instalment Dates specified in the Pricing Supplement. The principal amount of each Instalment Note is reduced by the Instalment Amount with effect from the related Instalment Date.

11.4 Early redemption for taxation reasons

The Issuer may redeem all (but not some) of the Notes of a Series (subject, in the case of Subordinated Notes, to the prior approval of the Regulator) in whole before their Maturity Date at the Early Redemption Amount and any interest accrued on it to (but excluding) the redemption date if:

- (a) the Issuer is required under Condition 14.2 (“Withholding tax”) to increase the amount of a payment in respect of a Note, in each case as a result of any change in, or amendment to or interpretation of, the laws, published practice or regulations of a Relevant Tax Jurisdiction, or any change in the application or interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it.

However, the Issuer may only do so if:

- (c) the Issuer has given at least 30 days’ and no more than 60 days’ (or any other period specified in the Pricing Supplement) notice to the Registrar, the Holders, each other Agent and any stock exchange or other relevant authority on which the Notes are listed; and
- (d) before the Issuer gives the notice under paragraph (a), the Registrar has received:
 - (i) a certificate signed by two authorised signatories of the Issuer; and
 - (ii) an opinion of independent legal advisers of recognised standing in the jurisdiction of incorporation of the Issuer,that the Issuer would be required under Condition 14 (“Withholding tax”) to increase the amount of the next payment due in respect of the Notes;
- (e) no notice of redemption is given earlier than 90 days before the earliest date on which the Issuer would be obliged to pay Additional Amounts were a payment in respect of the Notes then due; and
- (f) in the case of Floating Rate Notes and Structured Notes bearing a floating rate of interest:
 - (i) the proposed redemption date is an Interest Payment Date; and
 - (ii) no notice of redemption is given earlier than 60 days before the Interest Payment Date occurring immediately before the earliest date on which the Issuer would be obliged to pay Additional Amounts.

11.5 Early redemption at the option of Holders (Holder put)

If the Pricing Supplement states that a Holder may require the Issuer to redeem all or some of the Notes of a Series held by that Holder before their Maturity Date, the Issuer must redeem the Notes specified by the Holder at the Early Redemption Amount and any interest accrued on it to (but excluding) the redemption date if the following conditions are satisfied:

- (a) the amount of Notes to be redeemed is a multiple of their Denomination;
- (b) the Holder has given at least 15 days’ (and no more than 30 days’) (or any other period specified in the Pricing Supplement) notice, to the Issuer and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified

Office of the Registrar together with any evidence the Registrar may require to establish title of the Holder to the Note;

- (c) the notice referred to in paragraph (b) specifies an account in the country of the currency in which the Note is denominated to which the payment should be made or an address to where a cheque for payment should be sent;
- (d) the redemption date is an Early Redemption Date (Put) specified in the Pricing Supplement; and
- (e) any other condition specified in the Pricing Supplement is satisfied.

A Holder may not require the Issuer to redeem any Note under this Condition 11.6 if the Issuer has given notice that it will redeem that Note under Condition 11.4 (“Early redemption for taxation reasons”) or Condition 11.6 (“Early redemption at the option of the Issuer (Issuer call)”).

11.6 Early redemption at the option of the Issuer (Issuer call)

If the Pricing Supplement states that the Issuer may redeem all or some of the Notes, and in the case of Subordinated Notes, all but no some, of a Series before their Maturity Date under this Condition, the Issuer may redeem so many of the Notes specified in the Pricing Supplement at the Early Redemption Amount and any interest accrued on it to (but excluding) the redemption date.

However, the Issuer may only do so if:

- (a) the amount of Notes to be redeemed is, or is a multiple of, their Denomination;
- (b) in the case of Subordinated Notes, all but not some of the Subordinated Notes are to be redeemed;
- (c) the Issuer has given at least 15 days’ (and no more than 30 days’) (or any other period specified in the Pricing Supplement) notice to the Holders and any stock exchange or other relevant authority on which the Notes are listed;

11.7 Partial redemptions

If only some of the Notes are to be redeemed under Condition 11.6 (“Early redemption at the option of the Issuer (Issuer call)”), the Notes to be redeemed must be specified in the notice and selected:

- (a) in a fair and reasonable manner under the circumstances of the proposed redemption and having regard to prevailing market practice; and
- (b) in compliance with any applicable law, directive or requirement of any applicable Clearing System and stock or securities exchange or other relevant authority on which the Notes are listed.

11.8 Effect of notice of redemption

Any notice of redemption given by the Issuer or a Holder under this Condition 11 (“Redemption”) is irrevocable.

11.9 Late payment

If an amount is not paid under this Condition 11 (“Redemption”) when due, then:

- (a) for a Note (other than a Zero Coupon Note or a Structured Note), interest continues to accrue on the unpaid amount (both before and after any demand or judgment) at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Holder;
- (b) for a Zero Coupon Note, the obligation to pay the amount is replaced by an obligation to pay the Amortised Face Amount recalculated as at the earlier of:
 - (i) the date on which payment is made to the Holder; and
 - (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Holders; and
- (c) for a Structured Note as specified in the Pricing Supplement:
 - (i) interest continues to accrue at the default rate specified in the Pricing Supplement (or, if no default rate is specified, the last applicable Interest Rate) until the date on which payment is made to the Holder; or

If purchases are made by tender, tenders must be available to all Holders alike. Notes purchased under this Condition 11.10 (“Purchase”) may be held, resold or cancelled at the discretion of the purchaser and (if the Notes are to be cancelled, the Issuer), subject to compliance with any applicable law or requirement of any stock exchange or other relevant authority on which the Notes are listed.

12 General provisions

12.1 Summary of payment provisions

Payments in respect of Notes must be made in accordance with Condition 13 (“Payments”).

12.2 Payments subject to law

All payments are subject to:

- (a) applicable laws and directives, but without prejudice to the provisions of Condition 14 (“Taxation”); and
- (b) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the Internal Revenue Code or otherwise imposed pursuant to Sections 1471 through 1474 of the Internal Revenue Code, any regulations or agreements thereunder, official interpretations thereof or (without prejudice to the provisions of

Condition 14 ("Taxation")) any law implementing any intergovernmental approach thereto.

12.3 Payments on Business Days

If a payment is due on a day which is not a Business Day then the due date for payment is adjusted in accordance with the applicable Business Day Convention.

The Holder is not entitled to any additional payment in respect of that delay.

12.4 Currency indemnity

The Issuer waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Holder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its usual costs in connection with the conversion; and
- (b) the Issuer satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

13 Payments

13.1 Payment of principal

Payments of principal and any final Instalment Amount in respect of a Note will be made to each person registered at 10.00 am on the payment date as the Holder of that Note (or the first person to be registered in the case of joint holders)..

13.2 Payment of interest

Payments of interest and Instalment Amounts (other than the final Instalment Amount) in respect of a Note will be made to each person registered at the close of business on the Record Date as the Holder of that Note (or the first person to be registered in the case of joint holders).

13.3 Payments to accounts

Payments in respect of Notes will be made in Australia, unless prohibited by law, and:

- (a) if the Notes are held in the Austraclear System, by crediting on the payment date, the amount due to:
 - (i) the account of Austraclear (as the Holder) in the country of the currency in which the Note is denominated previously notified to the Issuer and the Registrar; or
 - (ii) if requested by Austraclear, the accounts of the persons in whose Security Record (as defined in the Austraclear Regulations) a Note is recorded in the country of the currency in which the Note is denominated as previously notified by Austraclear to the Issuer and the Registrar in accordance with Austraclear Regulations; and

- (b) if the Notes are not held in the Austraclear System, by crediting on the payment date, the amount then due under each Note to an account in the country of the currency in which the Note is denominated previously notified by the Holder to the Issuer and the Registrar.

If a payment in respect of the Note is prohibited by law from being made in Australia, such payment will be made in an international financial centre for the account of the relevant payee, and on the basis that the relevant amounts are paid in immediately available funds, freely transferable at the order of the payee.

13.4 Payments by cheque

If the Holder has not notified the Registrar of an account to which payments to it must be made by the close of business on the Record Date, payments in respect of the Note will be made in Australia by cheque drawn on a bank in Australia sent by prepaid post on, or on the Business Day immediately before, the payment date, at the risk of the registered Holder, to the Holder (or to the first named joint holder of the Note) at its address appearing in the Register at the close of business on the Record Date. Cheques sent to the nominated address of a Holder are taken to have been received by the Holder on the payment date and, no further amount is payable by the Issuer in respect of the Notes as a result of the Holder not receiving payment on the due date.

14 Taxation

14.1 No set-off, counterclaim or deductions

All payments of principal and interest in respect of the Notes must be made in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless prohibited by law.

14.2 Withholding tax

Subject to Condition 14.3 (“Withholding tax exemptions”), if a law requires the Issuer to withhold or deduct an amount in respect of Taxes from a payment in respect of the Notes such that the Holder would not actually receive on the due date the full amount provided for under the Notes, then:

- (a) the Issuer agrees to deduct the amount for the Taxes (and any further withholding or deduction applicable to any further payment due under paragraph (b) below); and
- (b) if the amount deducted or withheld is in respect of Taxes imposed by a Relevant Tax Jurisdiction, the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this Condition, each Holder is entitled to receive (at the time the payment is due) the amount it would have received if no deductions or withholdings had been required to be made.

14.3 Withholding tax exemptions

The Issuer is not required to pay an Additional Amount with respect to any Note under Condition 14.2(b) (“Withholding tax”) if the obligation to do so arises as a result of any one or more of the following:

- (a) the deduction is required in respect of Taxes by reason of the Holder having some connection with a Relevant Tax Jurisdiction other than the mere holding of the Note or receipt of payment in respect of the Note;
- (b) the Note is presented for payment more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to an additional amount

on presenting the same for payment on such thirtieth day assuming that day to have been a payment day;

- (c) payments to, or to a third party on behalf of an Australian resident Holder or a non-resident Holder carrying on business in Australia at or through a permanent establishment of the non-resident in Australia, if that Holder has not supplied an appropriate tax file number an Australian business number or other exemption details; or
- (d) in any other circumstances specified in the Pricing Supplement.

Notwithstanding any other provisions of these Conditions, the Issuer will not have an obligation to pay additional amounts in respect of the Notes for any amounts required to be withheld or deducted pursuant to sections 1471 to 1474 of the Internal Revenue Code, or any agreement entered into with the United States under those sections if such withholding or deduction is imposed as a result of the failure by any person other than the Issuer or any of its agents to establish that they are able to receive payments free of such withholding or deduction.

15 Time limit for claims

A claim against the Issuer for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

16.2 Consequences of an Event of Default

If an Event of Default occurs and continues unremedied in relation to the Notes (other than Subordinated Notes), then a Holder may, by written notice to the Issuer, effective upon the date of receipt thereof, declare any Notes (other than Subordinated Notes) held by such Holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

16.3 Notification

If an Event of Default occurs (or, in the case of Condition 16.1(b) (“Events of Default”), would occur with the giving of applicable notice and the lapse of time), the Issuer must promptly after becoming aware of it notify the Registrar of the occurrence of the Event of Default (specifying details of it) and use its reasonable endeavours to ensure that the Registrar promptly notifies Holders, each other Agent and any stock or securities exchange or other relevant authority on which the Notes are listed, quoted and/or traded of the occurrence of the Event of Default.

16.4 Events of Default for Subordinated Notes

Events of Default and their respective consequences in respect of Subordinated Notes will be set out in the relevant Pricing Supplement.

17 Agents

In acting under an Agency Agreement, each Agent acts solely as agent of the Issuer and does not assume any obligations towards or relationship of agency or trust for or with any Holder.

17.2 Appointment and replacement of Agents

Each initial Agent for a Series of Notes is specified in the Pricing Supplement. Subject to Condition 17.4 ("Required Agents"), the Issuer reserves the right at any time to vary or terminate the appointment of any Agent and to appoint a successor.

17.3 Change of Agent

Notice of any change of an Agent or its Specified Offices must promptly be given to the Holders by the Issuer or the Agent on its behalf.

17.4 Required Agents

The Issuer must:

- (a) at all times maintain a Registrar; and
- (b) if a Calculation Agent is specified in the Pricing Supplement, at all times maintain a Calculation Agent.

18 Meetings of Holders

The Meetings Provisions contain provisions (which have effect as if incorporated in these Conditions) for convening meetings of the Holders of any Series to consider any matter affecting their interests, including any variation of these Conditions by Extraordinary Resolution.

19 Variation

19.1 Variation with consent

Unless Condition 19.2 ("Variation without consent") applies, any Condition may be varied by the Issuer with prior approval from the Holders by Extraordinary Resolution in accordance with the Meetings Provisions.

19.2 Variation without consent

Any Condition may be amended by the Issuer without the consent of the Holders if the amendment:

- (a) is of a formal, minor or technical nature;
- (b) is made to correct a manifest error;
- (c) is made to comply with mandatory provisions of the law;

- (d) is not modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the Holders; or
- (e) only applies to Notes issued by it after the date of amendment.

20 Further issues

The Issuer may from time to time, without the consent of the Holders, issue further Notes having the same Conditions as the Notes of any Series in all respects (or in all respects except for the first payment of interest) so as to form a single series with the Notes of that Series.

21 Notices

21.1 Notices to Holders

All notices and other communications to Holders must be in writing and must be left at the address of or sent by prepaid post (airmail, if appropriate) to the address of the Holder (as shown in the Register at the close of business on the day which is 3 Business Days before the date of the notice or communication).

They may also be:

22 Substitution

The Issuer, or any previously substituted company, may, subject to the extent so required, to the approval of the UAE Central Bank (including any successor thereto as the relevant regulator of banks in the UAE), at any time, without the consent of the Holders, substitute for itself as principal debtor under the Notes any member of the Group (the “**Substitute**”) provided that no Event of Default is subsisting at the relevant time. The substitution shall be

made by a deed poll (“**Substitution Deed Poll**”), to be executed by the Issuer and the Substitute and shall be effective on and from the time or event specified in the Substitution Deed Poll (the “**Time of Substitution**”), and may take place only if:

- (a) where the Substitute is incorporated, domiciled or resident for taxation purposes in a territory other than the UAE or any political subdivision or any authority thereof or therein having power to tax, the Substitution Deed Poll contains a covenant by the Substitute and/or such other provisions as may be necessary to ensure that each Holder has the benefit of a covenant by the Substitute in terms corresponding to the provisions of Condition 14 (“Taxation”) with the substitution for the reference to “the UAE” in the definition of “Relevant Tax Jurisdiction” of a reference to the territory in which the Substitute is incorporated, domiciled and/or resident for taxation purposes. The Substitute shall also, by means of the Substitution Deed Poll, agree to indemnify each Holder against any tax, duty, assessment or governmental charge which is imposed on it by (or by any authority in or of) the jurisdiction of the country of the Substitute’s residence for tax purposes and/or, if different, of its incorporation with respect to any Note and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution;
- (b) the substitution does not result in a downgrade in any then current credit rating of the Notes, or if the Notes are not rated at such time, would not result in a downgrade if they were rated and in either case this has been confirmed in writing either by each rating agency which has assigned such a credit rating or (if the Notes are unrated) by an internationally recognised rating agency;
- (c) all action, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Substitution Deed Poll and the Notes represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Substitution Deed Poll, of the Issuer have been taken, fulfilled and done and are in full force and effect;
- (d) the Substitute shall have become party to the relevant Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (e) each stock exchange or listing authority which has the Notes listed on such stock exchange shall have confirmed that following the proposed substitution of the Issuer the Notes would continue to be listed on such stock exchange;
- (f) legal opinions addressed to the Holders shall have been delivered to them (care of the Registrar) from a lawyer or firm of lawyers with a leading securities practice (i) in each jurisdiction referred to in Condition 22(a) above as to the fulfilment of Condition 22(c) and (ii) in New South Wales, Australia confirming that the Substitution Deed Poll constitutes legal, valid and binding obligations of the Issuer and the Substitute; and
- (g) the Issuer shall have given at least 30 days’ prior notice of such substitution to the Holders, stating that copies, or, pending execution, the agreed text, of all relevant documents in relation to the substitution which are referred to above will be available for inspection at the specified office of the Registrar.

Immediately on and from the Time of Substitution any reference in the Conditions to the “**Issuer**” shall be construed as a reference to the Substitute.

23 Governing law

23.1 Governing law

Notes are governed by the law in force in New South Wales.

23.2 Agreement to arbitrate

Subject to Condition 23.3 (“Option to litigate”), any dispute, claim, difference or controversy arising out of, relating to or having any connection with the Notes (including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Notes) (“**Dispute**”) shall be referred to and finally resolved by arbitration in accordance with the Arbitration Rules (“**Rules**”) of the Australian Centre for International Commercial Arbitration (“**ACICA**”), which Rules (as amended from time to time) are deemed to be incorporated by reference into this Condition 23.2. For these purposes:

- (a) the place of arbitration shall be Sydney;
- (b) there shall be three arbitrators, each of whom shall be disinterested in the arbitration, shall have no connection with any party thereto and shall be an Australian or international lawyer experienced in international securities transactions; and
- (c) the language of the arbitration shall be English.

On receipt by the Issuer of a Notice of Arbitration as defined in the Rules initiated by a Holder, the Issuer shall send a copy of the Notice of Arbitration to all Holders, (“**Notification**”) within 30 days of receipt. The time period for submitting an Answer to the Notice of Arbitration as per Rule 5 and, if applicable, the time period for appointing an arbitrator as per Rule 10 shall be suspended until the earlier of the completion of the Notification process or 30 days following the receipt by the Issuer of a Notice of Arbitration.

Prior to the constitution of the arbitral tribunal in a Dispute, any Holder may, on receipt of such Notification, be joined with any other Holder to the arbitration proceedings, by filing a written notice (“**Joinder Notice**”) with the relevant Holder and the Issuer.

After the constitution of the arbitral tribunal in a Dispute, any Holder may apply to the arbitral tribunal for an order to join that Holder to the arbitration proceedings (a “**Joinder Order**”) provided that such application is also sent to all parties to the Dispute. On hearing such application, the arbitral tribunal may, if it considers it appropriate, make a Joinder Order.

The Issuer and Holders consent to joinder in accordance with this clause and agree to be bound by any award or procedural order made by the arbitral tribunal in a Dispute to which they are joined.

Failure to file a Joinder Notice does not preclude any Holder from bringing any action (whether arising from similar facts to those relevant to the arbitration in respect of which the Notification is provided or otherwise) in the future.

Any multi-party arbitration resulting from the joinder of any other Holder(s) will be formally settled in single arbitration proceedings.

In multi-party arbitration proceedings, the arbitral tribunal shall have all powers necessary to establish any supplementary procedural rules required or desirable in view of the multi-party nature of the proceedings.

23.3 Option to litigate

Notwithstanding Condition 23.2 (“Agreement to arbitrate”) above, any Holder may, in the alternative, and at its sole discretion, by notice in writing to the Issuer:

- (a) within 28 days of service of a Notice of Arbitration (as defined in the Rules); or
- (b) in the event no arbitration is commenced,

require that a Dispute be heard by a court of law. If any Holder gives such notice, the Dispute to which such notice refers shall be determined in accordance with Condition 23.4 (“Effect of option to litigate”) and any arbitration commenced under Condition 23.2 (“Agreement to arbitrate”) in respect of that Dispute will be terminated. Each of the parties to the terminated arbitration will bear its own costs in relation thereto.

If any notice to terminate is given after service of any Notice of Arbitration in respect of any Dispute, the relevant Holder must also promptly give notice to ACICA and to any Arbitral Tribunal (each as defined in the Rules) already appointed in relation to the Dispute that such Dispute will be settled by the courts. Upon receipt of such notice by the ACICA, the arbitration and any appointment of any arbitrator in relation to such Dispute will immediately terminate. Any such arbitrator will be deemed to be *functus officio*. The termination is without prejudice to:

- (i) the validity of any act done or order made by that arbitrator or by the court in support of that arbitration before his appointment is terminated;
- (ii) his entitlement to be paid his proper fees and disbursements; and
- (iii) the date when any claim or defence was raised for the purpose of applying any limitation bar or any similar rule or provision.

23.4 Effect of option to litigate

In the event that a notice pursuant to Condition 23.3 (“Option to litigate”) is issued, the following provisions shall apply:

- (a) subject to paragraph 23.4(c) below, the courts of New South Wales, Australia shall have exclusive jurisdiction to settle any Dispute and the Issuer submits to the exclusive jurisdiction of such courts;
- (b) the Issuer agrees that the courts of New South Wales are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary; and
- (c) this Condition 23.4 is for the benefit of the Holders only. As a result, and notwithstanding paragraph (a) above, any Holder may take proceedings relating to a Dispute (“**Proceedings**”) in any other courts with jurisdiction. To the extent allowed by law, any Holder may take concurrent Proceedings in any number of jurisdictions.

23.5 Serving documents

- (a) Without preventing any other method of service, any document in any action may be served on the Issuer or a Holder by being delivered or left at their registered office or principal place of business.
- (b) For so long as any of the Notes issued by the Issuer are outstanding, the Issuer will ensure that there is an agent appointed to accept service of process in Australia in respect of any legal action or proceedings as may be commenced by arbitration or brought in the courts of New South Wales or the Federal Courts of Australia.

23.6 Agent for service of process

The Issuer appoints Dabserv Corporate Services Pty Limited (ABN 73 001 824 111) of Level 61, Governor Phillip Tower, 1 Farrer Place, Sydney NSW 2000, Australia, as its agent to receive any document referred to in Condition 23.5 (“Serving documents”). If for any reason that person ceases to be able to act as such, the Issuer will immediately appoint another person with an office located in New South Wales to receive any such document and will promptly notify the Registrar and the Holders of such appointment.

23.7 Consent to enforcement

The Issuer agrees that an arbitral award or judgment or order of an Australian or other court, in connection with a dispute arising out of or in connection with these Conditions, shall be binding on it and may be enforced against it in the courts of any competent jurisdiction. For the purposes of the foregoing, in respect of any proceedings arising out of or connected with the enforcement and/or execution of any award or judgment made against the Issuer, the Issuer hereby expressly submits to the jurisdiction of any court in which any such proceedings are brought.

23.8 Waiver of immunity

The Issuer hereby irrevocably and unconditionally waives with respect to the Notes any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence and irrevocably and unconditionally consents to the giving of any relief or the issue of any process, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any action.

The date of this Pricing Supplement is [●].

This Pricing Supplement (as referred to in the Information Memorandum dated [●] (“**Information Memorandum**”) in relation to the above Programme) relates to the Tranche of Notes referred to above. It is supplementary to, and should be read in conjunction with the terms and conditions of the Notes contained in the Information Memorandum (“**Conditions**”), the Information Memorandum and the Note Deed Poll executed by the Issuer dated [●].

This Pricing Supplement does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation, and no action is being taken to permit an offering of the Notes or the distribution of this Pricing Supplement in any jurisdiction where such action is required.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (“Securities Act”) or the securities laws of any state in the United States of America. Notes may not be offered, sold or delivered at any time directly or indirectly within the United States or to or for the account of U.S. persons (as defined in Regulation S under the Securities Act) unless registered under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act and applicable U.S. tax law requirements are

satisfied. For a description of certain restrictions on offers and sales of Notes and on distribution of this Pricing Supplement and the Information Memorandum, see the section headed "Subscription and Sale" in the Information Memorandum.

Emirates NBD Bank PJSC is neither a bank nor an authorised deposit-taking institution which is authorised under the Banking Act 1959 of Australia ("Banking Act") and nor is it supervised by the Australian Prudential Regulation Authority. The Notes are not the obligations of any government and, in particular, are not guaranteed by the Commonwealth of Australia.

The depositor protection provisions of Division 2 of Part II of the Banking Act do not apply to the Issuer. No Notes shall be "protected accounts" or "deposit liabilities" within the meaning of the Banking Act and an investment in Notes will not be covered by the depositor protection provisions in section 13A of the Banking Act and will not be covered by the Australian Government's banking deposit guarantee (also commonly referred to as the Financial Claims Scheme).

Notes that are offered for issue or sale or transferred in, or into, Australia are offered only in circumstances that would not require disclosure to investors under Parts 6D.2 or 7.9 of the Corporations Act 2001 of Australia and issued and transferred in compliance with the terms of the exemption from compliance with section 66 of the Banking Act that is available to the Issuer. Selling Restrictions

*Under the Dealer Agreement dated 8 April 2014 between the Issuer, the Arrangers and the Dealers (as amended and supplemented from time to time, the “**Dealer Agreement**”), the Notes will be offered by the Issuer through the Dealers. The Issuer has the sole right to accept any offer to purchase Notes and may reject that offer in whole or (subject to the terms of the offer) in part. Each Dealer has the right to reject any offer to purchase Notes made to it in whole or (subject to the terms of such offer) in part. The Issuer is entitled under the Dealer Agreement to appoint one or more Dealers as a dealer for a particular Tranche of Notes or the Programme generally.*

Each Dealer has agreed under the Dealer Agreement to comply with any applicable law or directive in any jurisdiction in which it subscribes for, offers, sells, or transfers Notes and to not directly or indirectly subscribe for, offer, sell or transfer Notes or distribute any Information Memorandum or other offering material in relation to the Notes in any jurisdiction, except in circumstances that will result in compliance by the Dealer with any applicable law.

Neither the Issuer nor any Dealer has represented that any Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any jurisdiction, or in accordance with any available exemption, or assumes any responsibility for facilitating that sale.

The following selling restrictions apply:

1 General

No action has been taken in any jurisdiction that would permit a public offering of the Notes or possession or distribution of the Information Memorandum or other offering material in any jurisdiction where action for that purpose is required.

Persons into whose hands the Information Memorandum comes are required by the Issuer and Dealers to comply with any applicable law and directive in each jurisdiction in which they purchase, offer, sell or deliver Notes or have in their possession or distribute or publish the Information Memorandum or other offering material and to obtain any authorisation required by them for the purchase, offer, sale or delivery by them of any Notes under any applicable law or directive in force in any jurisdiction to which they are subject or in which they make such purchases, offers, sales or deliveries, in all cases at their own expense, and neither the Issuer nor any Dealer has responsibility for such matters.

In these selling restrictions, “directive” includes a treaty, official directive, request, regulation, guideline or policy (whether or not having the force of law) with which responsible participants in the relevant market generally comply.

2 Australia

No prospectus or other disclosure document (as defined in the Corporations Act) in relation to the Programme or any Notes has been or will be lodged with the Australian Securities and Investments Commission (“**ASIC**”). Each Dealer represents and agrees and each further Dealer appointed under the Programme will be required to represent and agree that, unless the relevant Pricing Supplement (or another supplement to any Information Memorandum) otherwise provides, it:

- (a) has not made or invited, and will not make or invite, an offer of the Notes for issue or sale in Australia (including an offer or invitation which is received by a person in Australia); and
- (b) has not distributed or published, and will not distribute or publish, any Information Memorandum or other offering material or advertisement relating to any Notes in Australia,

unless (i) the aggregate consideration payable by each offeree is at least A\$500,000 (or its equivalent in an alternate currency) (disregarding moneys lent by the offeror or its associates) or the offer otherwise does not require disclosure to investors under Part 6D.2 of the Corporations Act 2001 of Australia, (ii) such action complies with applicable laws and directives in connection with the subscription, offer, sale or transfer of Notes and (iii) such action does not require any document to be lodged with ASIC.

In addition, each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will comply with the directive issued by the Australian Prudential Regulation Authority dated 21 March 2018 as contained in Banking exemption No. 1 which requires all offers and transfers to be for a principal amount of at least A\$500,000. Banking exemption No. 1 does not apply to transfers which occur outside Australia.

3 The United Kingdom

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has complied and will comply with all applicable provisions of the Financial Services and Markets Act 2000 (as amended) (“**FSMA**”) with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom; and
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which section 21(1) of the FSMA would not, if it was not an authorised person, apply to the relevant Issuer or Guarantor (if applicable).

4 The United States of America

Securities Act

The Notes have not been and will not be registered under the Securities Act of 1933 (“**Securities Act**”) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act.

Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S, each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver such Regulation S Notes

- (a) as part of their distribution at any time; and
- (b) otherwise until 40 days after completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Tranche of which Regulation S Notes are a part,

within the United States of America or to, or for the account or benefit of, U.S. Persons.

Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to further represent and agree, that it will send to each dealer to which it sells any

Regulation S Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Regulation S Notes within the United States of America or to, or for the account or benefit of, U.S. Persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act. The confirmation or other notice will be to substantially the following effect:

“The Notes covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of the Notes as determined and certified by the relevant Dealer(s), and except in accordance with Regulation S under the Securities Act. Terms used above have the meanings given to them by Regulation S.”

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

5 The Kingdom of Saudi Arabia

No action has been or will be taken in the Kingdom of Saudi Arabia that would permit a public offering of the Notes. Any investor in the Kingdom of Saudi Arabia or who is a Saudi person (“**Saudi investor**”) who acquires any Notes pursuant to an offering should note that the offer of Notes is a private placement under Article 9 or Article 20 of the “Rules on the Offers of Securities and Continuing Obligations” as issued by the board of the Saudi Arabian Capital Market Authority (“**CMA**”) resolution number 3-123-2017 dated 27 December 2017 (“**KSA Regulations**”), made through an authorised person licensed to carry out arranging activities by the CMA and following a notification to the CMA under the KSA Regulations.

The Notes may thus not be advertised, offered or sold to any person in the Kingdom of Saudi Arabia other than to “sophisticated investors” under Article 10 of the KSA Regulations or by way of a limited offer under Article 10 of the KSA Regulations. Each Dealer represents and agrees, and each further Dealer appointed under the Programme will be required to represent and agree, that any offer of Notes to a Saudi Investor will be made in compliance with Article 9 or Article 10 of the KSA Regulations.

Each offer of Notes shall not therefore constitute a “public offer”, an “exempt offer” or a “parallel market offer” pursuant to the KSA Regulations, but is subject to the restrictions on secondary market activity under Article 15 of the KSA Regulations. A Saudi Investor who has acquired Notes pursuant to a private placement under Article 9 or Article 10 of the KSA Regulations may not offer or sell those Notes to any person unless the offer or sale is made through an authorised person appropriately licensed by the CMA and: (a) the Notes are offered or sold to a Sophisticated Investor (as defined in Article 9 of the KSA Regulations); (b) the price to be paid for the Notes in any one transaction is equal to or exceeds Saudi Riyals 1 million or an equivalent amount; or (c) the offer of sale is otherwise in compliance with Article 15 of the KSA Regulations.

6 United Arab Emirates (excluding the Dubai International Financial Centre)

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that the Notes to be issued under the Programme have not been and will not be offered, sold or publicly promoted or advertised by it in the UAE other than in compliance with any laws applicable in the UAE governing the issue, offering and sale of securities.

7 Dubai International Financial Centre

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered and will not offer the Notes to be issued under the Programme to any person in the Dubai International Financial Centre unless such offer is:

- (a) an "Exempt Offer" in accordance with the Markets Rules (MKT Module) of the Dubai Financial Services Authority ("**DFSA**") rulebook; and
- (b) made only to persons who meet the Professional Client criteria set out in Rule 2.3.3 of the DFSA Conduct of Business Module of the DFSA rulebook.

8 Hong Kong

Each Dealer represents and agrees, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has not offered or sold, and will not offer or sell, in Hong Kong, by means of any document, any Notes other than (a) to "professional investors" as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong ("**Securities and Futures Ordinance**") and any rules made under that Ordinance; or (b) in other circumstances which do not result in the document being a "prospectus" as defined in the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) of Hong Kong or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (b) it has not issued or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the Notes which is directed at, or the contents of which are likely to be accessed or read by, the public of Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to "professional investors" as defined in the Securities and Futures Ordinance and any rules made under that Ordinance.

9 Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, the "**Financial Instruments and Exchange Act**") and, accordingly, each Dealer represents and agrees and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold, and will not offer or sell, any Notes directly or indirectly in Japan or to, or for the benefit of, any resident of Japan (defined under Item 5, Paragraph 1, Article 6 of the Foreign Exchange and Foreign Trade Act (Act No. 228 of 1949, as amended)) or to others for re-offering or resale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other applicable laws, ministerial guidelines and regulations of Japan.

10 New Zealand

Each Dealer represents and agrees, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has not offered or sold, and will not offer or sell, directly or indirectly, any Notes; and

- (b) it has not distributed and will not distribute, directly or indirectly, any offering materials or advertisement in relation to any offer of Notes,

in each case in New Zealand unless:

- (i) to persons who are “wholesale investors” as that term is defined in clauses 3(2)(a), (c) and (d) of Schedule 1 to the Financial Markets Conduct Act 2013 of New Zealand (“**FMC Act**”), being a person who is:
 - (A) an “investment business”;
 - (B) “large”; or
 - (C) a “government agency”,
- (A) in each case as defined in Schedule 1 to the FMC Act; or
- (ii) in other circumstances where there is no contravention of the FMC Act, provided that (without limiting paragraph (ii)(A) above) Notes may not be offered or transferred to any “eligible investors” (as defined in the FMC Act) or any person that meets the investment activity criteria specified in clause 38 of Schedule 1 to the FMC Act.

11 Singapore

This Information Memorandum has not been and will not be registered as a prospectus with the Monetary Authority of Singapore under the Securities and Futures Act, Chapter 289 of Singapore, as amended (“**Securities and Futures Act**”).

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that, unless an applicable Pricing Supplement (or another supplement to this Information Memorandum) otherwise provides, the Information Memorandum and any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of the Notes has not been and will not be circulated or distributed by it nor have the Notes been, nor will the Notes be, offered or sold by it, or be subject to an invitation for subscription or purchase by it, whether directly or indirectly, to persons in Singapore other than:

- (a) to an institutional investor under Section 274 of the Securities and Futures Act;
- (b) to a relevant person pursuant to Section 275(1) of the Securities and Futures Act, or any person pursuant to Section 275(1A) of the Securities and Futures Act, and in accordance with the conditions specified in Section 275 of the Securities and Futures Act; or
- (c) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the Securities and Futures Act.

Where the Notes are subscribed or purchased in reliance on an exemption under Section 274 or 275 of the Securities and Futures Act, the Notes shall not be sold within the period of six months from the date of the initial acquisition of the Notes, except to any of the following persons:

- (A) an institutional investor (as defined in Section 4A of the Securities and Futures Act);
- (B) a relevant person (as defined in Section 275(2) of the Securities and Futures Act); or

Where the Notes are subscribed or purchased under Section 275 of the Securities and Futures Act by a relevant person which is:

that securities (as defined in Section 239(1) of the Securities and Futures Act) of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the Notes pursuant to an offer made under Section 275 of the Securities and Futures Act except:

12 European Economic Area

Prohibition of sales to European Economic Area retail investors

Each Dealer will represent and agree, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Notes which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression “retail investor” means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); or
 - (ii) a customer within the meaning of Directive 2002/92/EC (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or

- (iii) not a qualified investor as defined in the Prospectus Directive; and
- (b) the expression “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes.

13 Variation

These selling restrictions may be changed by the Issuer after consultation with the Dealers following a change in any law or directive or in its interpretation or administration by an authority or the introduction of a new law or directive. Any change will be set out in the Pricing Supplement issued in respect of the Notes to which it relates (or in another supplement to this Information Memorandum).

Taxation

Australian Taxation

The following is a summary of certain Australian tax matters, at the date of this Information Memorandum, in relation to the Notes to be issued by the Issuer under the Programme and certain other matters. It is a general guide and should be treated with appropriate caution. Prospective holders of Notes should consult their professional advisers on the tax implications of an investment in the Notes for their particular circumstances.

This summary does not consider the tax implications for persons who hold interests in the Notes through Austraclear, Euroclear, Clearstream, Luxembourg or another clearing system.

1. Interest withholding tax

So long as the Issuer continues to be a non-resident of Australia and the Notes issued by it are not attributable to a permanent establishment of the Issuer in Australia, payments of principal and interest made under Notes issued by it should not be subject to Australian interest withholding tax.

2. Other tax matters

Under Australian laws as presently in effect:

- (a) *death duties* - no Notes will be subject to death, estate or succession duties imposed by Australia, or by any political subdivision or authority therein having power to tax, if held at the time of death;
- (b) *stamp duty and other taxes* - no ad valorem stamp, issue, registration or similar taxes are payable in any Australian State or Territory on the issue or transfer of any Notes; and
- (c) *other withholding taxes on payments in respect of Notes* - so long as the Issuer continues to be a non-resident of Australia and does not carry on business at or through a permanent establishment in Australia, the tax file number requirements of Part VA of the Income Tax Assessment Act 1936 of Australia and section 12-140 of Schedule 1 to the Taxation Administration Act 1953 of Australia ("**Taxation Administration Act**") should not apply to the Issuer;
- (d) *supply withholding tax* - payments in respect of the Notes can be made free and clear of the "supply withholding tax" imposed under section 12-190 of Schedule 1 to the Taxation Administration Act; and
- (e) *goods and services tax ("GST")* - neither the issue nor receipt of the Notes will give rise to a liability for GST in Australia on the basis that the supply of Notes will comprise either an input taxed financial supply or (in the case of an offshore subscriber) a supply that is outside the scope of GST law. Furthermore, neither the payment of principal or interest by the Issuer, nor the disposal of the Notes, would give rise to any GST liability in Australia.

United Arab Emirates

The following summary of the anticipated tax treatment in the UAE in relation to payments on the Notes is based on the taxation law and practice in force as at the date of this Information Memorandum, and does not constitute legal or tax advice and prospective investors should be aware that the relevant fiscal rules and practice, and their interpretation, may change. Prospective investors should consult their own professional advisers on the implications of subscribing for, buying, holding, selling, redeeming or disposing of Notes and the receipt of any payments with respect to such Notes under the laws of the jurisdictions in which they may be liable to taxation.

Under existing Dubai Law, although an income tax decree has been enacted in Abu Dhabi and in Dubai (the Abu Dhabi Income Tax Decree 1965 (as amended) and the Dubai Income Tax Decree 1969 (as amended)) which provides for tax to be imposed on the taxable income of all bodies corporate which carry on a trade or business, the regime is not currently enforced. In practice, only companies active in the hydrocarbon industry, some related service industries and branches of foreign banks operating in the UAE have been required to pay tax. There are currently no withholding taxes required to be levied under UAE, Abu Dhabi or Dubai law in respect of payments on debt securities (including in relation to the Notes).

The Constitution of the UAE specifically reserves to the Federal Government of the UAE the right to revise taxes on a federal basis for the purposes of funding its budget. It is not known whether this right will be exercised in the future.

With effect from 1 January 2018, the UAE (together with certain of the other GCC states) has implemented a VAT regime at a rate of 5 per cent. The UAE national legislation implementing this framework agreement was published on 23 August 2017 (UAE Federal Decree Law No.8 of 2017) and, on 28 November 2017, the UAE Ministry of Finance published accompanying VAT implementing regulations.

The UAE has entered into “Double Taxation Arrangements” with certain other countries, but these are not extensive in number.

Foreign Account Tax Compliance Act

Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986 (“**FATCA**”) impose a reporting regime and potentially a 30% withholding tax with respect to certain payments to (i) any non-U.S. financial institution (a “foreign financial institution”, or “**FFI**” (as defined by FATCA)) that does not become a “**Participating FFI**” by entering into an agreement with the U.S. Internal Revenue Service (“**IRS**”) to provide the IRS with certain information in respect of its account holders and investors or is not otherwise exempt from or in deemed compliance with FATCA and (ii) any investor (unless otherwise exempt from FATCA) that does not provide information sufficient to determine whether the investor is a U.S. person or should otherwise be treated as holding a “United States account” of the Issuer (a “**Recalcitrant Holder**”). The Issuer will be classified as an FFI.

The withholding regime will apply to “**foreign passthru payments**” (a term not yet defined) no earlier than 1 January 2019. This withholding would potentially apply to payments in respect of (i) any Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or after the “**grandfathering date**”, which is the date that is six months after the date on which final U.S. Treasury regulations defining the term foreign passthru payments are filed with the Federal Register, or which are materially modified on or after the grandfathering date and (ii) any Notes characterised as equity or which do not have a fixed term for U.S. federal tax purposes, whenever issued.

The United States and a number of other jurisdictions have announced their intention to negotiate intergovernmental agreements to facilitate the implementation of FATCA (each, an “**IGA**”). Pursuant to FATCA and the “Model 1” and “Model 2” IGAs released by the United States, an FFI in an IGA signatory country could be treated as a “**Reporting FI**” not subject to withholding under FATCA on any payments it receives. Further, an FFI in a Model 1 IGA jurisdiction would generally not be required to withhold under FATCA or an IGA (or any law implementing an IGA) (any such withholding being “**FATCA Withholding**”) from payments it makes. The Model 2 IGA leaves open the possibility that a

Reporting FI might in the future be required to withhold as a Participating FFI on foreign passthru payments and payments that it makes to Recalcitrant Holders. Under each Model IGA, a Reporting FI would still be required to report certain information in respect of its account holders and investors to its home government or to the IRS. The United States and France have entered into an IGA that is substantially to the Model 1 IGA.

If the Issuer becomes a Participating FFI under FATCA the Issuer and financial institutions through which payments on the Notes are made may be required to withhold FATCA Withholding if (i) any FFI through or to which payment on such Notes is made is not a Participating FFI, a Reporting FI, or otherwise exempt from or in deemed compliance with FATCA or (ii) an investor is a Recalcitrant Holder.

Whilst the Notes are in global or dematerialised form and held within the clearing systems, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any paying agent and the clearing systems, given that each of the entities in the payment chain beginning with the Issuer and ending with the clearing systems is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes.

FATCA is particularly complex and its application is uncertain at this time. The above description is based in part on regulations, official guidance and model IGAs, all of which are subject to change or may be implemented in a materially different form. Prospective investors should consult their tax advisers on how these rules may apply to payments they may receive in connection with the Notes.

OECD Common Reporting Standard

The OECD Common Reporting Standard for Automatic Exchange of Financial Account Information (“**CRS**”) will require certain financial institutions to report information regarding certain accounts (which may include the Notes) to their local tax authority and follow related due diligence procedures. Noteholders may be requested to provide certain information and certifications to ensure compliance with the CRS. A jurisdiction that has signed a CRS Competent Authority Agreement may provide this information to other jurisdictions that have signed the CRS Competent Authority Agreement.
